## Resume

## Job Description

## Searchability

IMPORTANT

An ATS (Applicant Tracking System) is a software used by 90% of companies and recruiters to search for resumes and manage the hiring process. Below is how well your resume appears in an ATS and a recruiter search.

**Tip:** Fix the red Xs to ensure your resume is easily searchable by recruiters and parsed correctly by the ATS.

ATS Tip	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>Adding this job's company name and web address can help us provide you ATS-specific tips. <a href="#">Update scan information</a></div>
Contact Information	<div><div></div><div></div><div></div></div>	<div><div></div><div></div></div> <div>We did not find an address in your resume. Recruiters use your address to validate your location for job matches.</div> <div>You provided your email. Recruiters use your email to contact you for job matches.</div> <div>You provided your phone number.</div>
Summary	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>We found a summary section on your resume. Good job! The summary provides a quick overview of the candidate's qualifications, helping recruiters and hiring managers promptly grasp the value the candidate can offer in the position.</div>
Section Headings	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>We found the education section in your resume.</div> <div>We found the work experience section in your resume.</div>
Job Title Match	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>The job title 'React.js Developer' from the Job description matches your resume's profile summary. We recommend this to be the case to ensure you're found when recruiters search by job title. <a href="#">Update scan information</a></div>
Date Formatting	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>The dates in your work experience section are properly formatted.</div>
Education Match	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>Your education matches the preferred (Bachelor) education listed in the job description. <a href="#">Update required education level</a></div>
File Type	<div><div></div><div></div></div>	<div><div></div><div></div><div></div></div> <div>You are using a .docx resume. Most ATS can process .docx files, but more accurately process .pdf files. Consider using a .pdf file instead.</div> <div>Your file name doesn't contain special characters that could cause an error in ATS.</div> <div>Your file name is concise and readable.</div>

## Hard skills

HIGH SCORE IMPACT

Hard skills enable you to perform job-specific duties and responsibilities. You can learn hard skills in the classroom, training courses, and on the job. These skills are typically focused on teachable tasks and measurable abilities such as the use of tools, equipment, or software. Hard skills have a high impact on your match score.

**Tip:** Match the skills in your resume to the exact spelling in the job description. Prioritize skills that appear most frequently in the job description.

## Soft skills

MEDIUM SCORE IMPACT

Soft skills are your traits and abilities that are not unique to any job. Your soft skills are part of your personality, and can be learned also. These skills are the traits that typically make you a good employee for any company such as time management and communication. Soft skills have a medium impact on your match score.

**Tip:** Prioritize hard skills in your resume to get interviews, and then showcase your soft skills in the interview to get jobs.

## Recruiter tips

IMPORTANT

Job Level Match	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>No specific years of experience were found in this job description. Focus on matching your skills and qualifications to the role's requirements. Consider how your experience, regardless of duration, aligns with the job's key responsibilities before applying.</div>
Measurable Results	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>We found 0 mentions of measurable results in your resume. Consider adding at least 5 specific achievements or impact you had in your job (e.g. time saved, increase in sales, etc).</div>

Web Presence	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>Nice - You've linked to a website that builds your web credibility. Recruiters appreciate the convenience and credibility associated with a professional website.</div>
Word Count	<div><div></div><div></div></div>	<div><div></div><div></div></div> <div>There are 293 words in your resume, which is under the suggested 1000 word count for relevance and ease of reading reasons.</div>

## Formatting

<div><div></div><div>Formatting analysis is unavailable for PDF files. To receive tailored recommendations, please upload your resume in .docx format. In the meantime, here are some general tips to ensure your resume is easily read by the ATS, Recruiters and Hiring Managers.</div></div>		
Font check	<div><div></div><div></div></div>	<div><div></div><div></div><div></div><div></div><div></div><div></div></div> <div>We recommend using bold styling for job titles, company names, and your name to help improve readability.</div> <div>Ensure your resume text is a readable color, with adequate contrast to the document background.</div> <div>Your resume should contain only 1 or 2 font faces to maintain readability.</div> <div>We recommend standard fonts such as Open Sans, Roboto, or Lato for readability and ATS-compatibility.</div> <div>The average font size of your resume should meet readability and ATS standards.</div> <div>Do not overuse special characters in your resume. These characters can cause errors in ATS and make your resume look less professional.</div>
Layout	<div><div></div><div></div></div>	<div><div></div><div></div><div></div></div> <div>Avoid embedding images in your resume if you're applying to jobs within North America. Some ATS cannot read images and might cause formatting errors.</div> <div>Avoid using tables in your resume. Some ATS might not be able to correctly parse tables. Text can be out of order or combined into one text blob.</div> <div>We recommend using left align for text sections as it enhances readability for a recruiter. Text justify is not recommended because some ATS's can't detect spaces between justified text blocks.</div>
Page Setup	<div><div></div><div></div></div>	<div><div></div><div></div><div></div><div></div><div></div></div> <div>Avoid adding information to the footer of your resume document. Some ATS can't accurately parse headers or footers, which could affect your formatting or searchability.</div> <div>Avoid adding information to the header of your resume document. Some ATS can't accurately parse headers or footers, which could affect your formatting or searchability.</div> <div>The margins on your resume should be of a consistent and standard size. We recommend margins between 0.5 and 1 inch for ease of reading.</div> <div>Ensure your resume fits within standard A4 or Letter page size to maintain compatibility across different platforms and devices.</div>
